ON THE WATER

Imagine a stunning vessel designed to remove the complexities and costs of boat ownership.

The Red Dot 32 is packed with intuitive, innovative features that handle the details for you, so you can focus on what truly matters: *making memories with friends and family.*

BUILD FOR THE WAY BOATING SHOULD BE

Premium doesn't have to mean overpriced. We deliver high-end design and performance at a fair, honest cost. We share the same frustrations as our customers and that's what drives us to rethink everything. From design to usability, every decision is made with one goal: ***to make boating affordable, effortless and enjoyable for everyone.***

HIDDEN OUTBOARD

Hidden outboards with integrated sprinklers automating engine care so you don't have to.

REMOTE BOAT MANAGEMENT APP

Control and monitor all your boat systems from anywhere, anytime, at your fingertips.

INDUSTRY-FIRST FEATURES FROM AFT TO BOW

We've integrated unique, innovative solutions that don't exist anywhere else on the market.

CUSTOM BUILD

All our boats are highly customizable, like never seen before.
